# PHAM VAN TOAN

REACT JS DEVELOPER

0935824698 phamvantoan131294@gmail.com Thai Thi Boi, Thanh Khe, Da Nang

My Portfolio

## OBJECTIVE

With over 7 years of experience in the Information Technology industry, coupled with a passionate dedication and pro cient skills in utilizing various programming platforms such as PHP, Laravel, Node js, Reactjs, Vuejs, and expertise in server management, I aspire to have the opportunity to apply my skills. I am continuously learning and adapting to advancements in the  eld.
I am eager to contribute my knowledge and experience to the growth of a business, while also further enhancing my expertise to take on more challenging roles. This serves as a platform for me to reach higher positions in the next 5 years.
